

Cocktail Hour

November 2018 – High Point, NC – Bespoke furniture manufacturer Jonathan Charles celebrates the finer things in life with their assortment of resplendent drinks cabinets. A nod to decades past where lavish dinner parties and evening soirees were de rigueur, these drinks cabinets serve as the centerpiece in a room, inviting guests to admire both the designs on the outside and the contents they hold on in the inside. Whether it's a neoclassical reinterpretation or a modern geometric design, each piece is handmade by artisans to bear the signature of Jonathan Charles' craftsmanship: meticulous attention to detail, resplendent carved motifs, and brilliant finishes. With an in-house foundry, Jonathan Charles' team of artisans can make all hardware, from the door handles down to the screws, for a truly one-of-a-kind original.

Chinoiserie Etched Brass Drinks Cabinet

25" W x 20" D x 72" H

The brass panel on the Chinoiserie Etched Brass Drinks Cabinet gets an acid treatment to create the etched effect to depict a classic Chinoiserie style motif. Satin brass leg caps with a stretcher complement the charcoal wood finish legs and interior, while custom cast octagonal door pulls complete the look.

Op Art Drinks Cabinet

20" W x 18" D x 75" H

The Op Art Drinks Cabinet blends Old World techniques with new age artistry by fashioning marquetry into a diamond motif. Through strategic inlay of two wood species, the cabinet creates a 3-D optical illusion. The rest of the design is comprised of brass legs and dark satinwood interior.

Geometric Drinks Cabinet

40" W x 18" D x 71" H

Using only light brown chestnut, the Geometric Drinks Cabinet creates a graphic print by placing different sides of the wood onto the door front panels. The octagonal brass handles mirror the cabinet's octagonal silhouette while the X base adds a campaign-style touch to the design.

Mahogany & Mother of Pearl Drinks Cabinet

41" W x 24" D x 71" H

The Mahogany & Mother of Pearl Drinks Cabinet harkens to a bygone era with its grandiose door front display featuring intricately ornate petals created from marquetry. The mother of pearl inlay adds opulence to the regency style which is accompanied by high luster mahogany and gilded carvings at the base.

Walnut & Crackle Cloth Lacquered Drinks Cabinet

25" W x 20" D x 72" H

The beauty of the Walnut & Crackle Cloth Lacquered Drinks Cabinet lies in its unique cracked effect which is achieved by indenting the resin glazed cloth at strategic points. Complete with an oversized circular brass door handle and brass details, the Art Deco-inspired drinks cabinet adds nuanced style to a room.

Feather Inlay Drinks Cabinet

20" W x 18" D x 75" H

With heavy English Regency-era influences, the Feather Inlay Drinks Cabinet features a wraparound feather motif achieved entirely from marquetry along with brass inlaid strings curved throughout. The feathered motif also appears on the door handles and the ebonized pangolin style base with a gold stretcher.

Rustic Grey Drinks Cabinet

33" W x 21" D x 64" H

Bold parquetry and minimalist styling lend the Rustic Grey Drinks Cabinet a refined approach to a country casual look. The rustic Grey Acacia wood finish is balanced with a bronze finished iron base and hardware.

Textured Chestnut Drinks Cabinet

40" W x 22" D x 72" H

All eyes fall on the Textured Chestnut Drinks Cabinet's wavy texture on its door panels, which are hand carved from chestnut wood and hand rubbed in a golden bronze finish for an antiqued effect. Vertical glass door handles and an antique brass stretcher support the main highlight.

Ribbed Drinks Cabinet

39" W x 19" D x 62" H

The Ribbed Drinks Cabinet places antique brass panels on the ebonized wood surface at various heights to give the illusion that the cabinet is hollowed out in the center. The doors open to reveal abundant storage complete with drawers and glass shelves.
